Subject: Defeat HB 4936
CC: Wendy Williamson <WilliamsonSocialWork@hotmail.com>, <info@bwcil.org>

As a (T)ruamatic (B)rain (I)
njured survivor I rely,
heavily, on my aides to assist
me in the day-to-day, hour-to-
hour activities you take for
granted. Without the benefits
of the current 'No-Fault' law,
life would be quite difficult
for me. Now, I learn that
passage of HB 4936 would limit
my benefits. Please vote to
defeat its adoption.

Sincerely,
August Resovsky
